

An abstract graphic design featuring a white background. A large, dark green rectangle is positioned in the upper right. To its left, a smaller, medium green rectangle is partially overlapping it. Below these, a horizontal band of light green stretches across the middle. On the left side, there are two bright red rectangles: a larger one on the left and a smaller one below it. On the right side, there is a medium green rectangle. The word "red" is written in a white, cursive script font, centered within the dark green rectangle in the upper right.
